

Graham Elementary & Middle School is currently seeking an electives teacher for the 2018 – 2019 school year. We are an Expeditionary Learning K-8 grade charter school in Columbus, Ohio located by The Ohio State University's campus. As a member of the Graham Family of Schools, we are committed to fostering each child's unique potential and curiosity within a safe, nurturing environment. Students engage in authentic, standards-based learning experiences that involve growth in academics and strong connections to our community. A school culture of quality and character empowers students, as life-long learners, to care for themselves, each other, and the world.

The Classroom teacher is responsible for the education of each student in his or her class, and is responsible for working with students, parents, and other teachers and staff towards achieving the mission and goals of Graham Expeditionary Middle School & Graham Primary School.

The classroom teacher will:

- Plan challenging and engaging lessons based on the Common Core State Standards
- Classroom sizes average 25 students in each grade
- Differentiate instruction to support all students in the learning process
- Implement a balanced literacy approach
- Plan, support and collaborate with fellow educators and staff
- Conduct ongoing assessments of student work and use data to guide instruction
- Build culture and character through a small group advisory (Crew)

An ideal candidate is someone who:

- Has a growth mindset
- Has demonstrated strong classroom and time management skills
- Understands that family involvement is integral to student success
- Wants to be organized
- Committed to meeting the needs of every child in a diverse population
- Willingness to participate in professional development

- Is a self-starter interested in working in a fast-paced, young school environment that requires flexible roles

Applicants should possess the following knowledge and experience:

- Pass BCI and FBI background check
- Bachelor's degree required
- **Interest/experience in teaching writer's workshop, research projects, technology, languages, yoga and/or other ideas**
- **Experience teaching and managing classrooms K-8**

Compensation: Salary will be competitive and commensurate with experience. We will offer a comprehensive benefits package.
