ODU Early College Re-Orientation Zoom Tuesday, August 11

Attention Current ODU Early College students and their caregivers! We are so excited to get back to school and to work with all of you! Because school will look a bit different this semester, we need to discuss the ongoing changes and offer reminders about the key components, guidelines, expectations, and supports built into our Early College program. We are offering TWO re-orientation sessions (for students already in the ODU program and their caregivers) to accommodate work schedules and family obligations. These meetings will be held on **Tuesday, August 11th at 10:30AM and again at 5:30PM**. All students currently in the ODU program have been sent an RSVP form. Please use this form to RSVP to one of the mandatory sessions. Meeting log-in information will be shared to student emails just before the event is to be held based on your chosen session. Again, this is only for students already in the ODU EC program and their families.
