## Attention TCS@ODU Families

We hope that this message finds you all doing well and staying healthy! We know that some of our families have been directly impacted by the virus and that loved ones are either in the hospital or recuperating at home. Our prayers and positive thoughts go out to you at this time. Let us know if there is anything that we can help you with even if it isn't about school matters! We want to help out in any way that we can. We know that all of us have at least been indirectly impacted by the virus and this remote learning has been a challenge. Hopefully this letter addresses some of these most immediate concerns related to school.

**Our last day of school is Thursday, May 21st.** Most remote learning classes are now focusing on final projects/papers/presentations and very little new content is now being offered. Students have between now and May 21st to finish their work for those classes. Teachers are going to be lowering the percentage of all students' overall grades for the fourth quarter in order to lessen the impact that the remote learning environment might have had on students. If students have been working hard during this time, teachers will make sure that they have every opportunity to earn the highest grade possible. We expect that students will reach out to their Crew teacher and class teachers if they need additional time to complete their class work. The semester is almost done and we want to give students what they need in order to be successful!

**Virtual graduation will take place on the 13th of June.** We released details about that day to all families late last week along with a brief summary video. We want our students to be recognized in the safest way possible and will be reaching out to them with more details in the coming weeks.

**In order for your student to be re-enrolled for the 2020-21 school year, they must complete the Annual Student Information Packet.** We sent home these packets with the paper extended closure packets. You can mail those back to 3950 Indianola Ave. 43214. You can also scan them using free apps such as 'Cam Scanner' and email those to [office@thecharlesschool.org](mailto:office@thecharlesschool.org). **In addition, the forms can be filled out online by following this link: [TCS@ODU ASIP 2020-2021](#).**

If you know of anybody that is interested in attending The Charles School we are finalizing our next year's cohort and spaces are filling up quickly! Please have them email [collins.5@thecharlesschool.org](mailto:collins.5@thecharlesschool.org). To attend our **virtual enrollment information session this Thursday at 5:00PM** please e-mail [office@thecharlesschool.org](mailto:office@thecharlesschool.org).

Our teachers and staff continue to work to support our students and families remotely. If there is more that we can do for you, please email us at [office@thecharlesschool.org](mailto:office@thecharlesschool.org), or call us at 614-258-8588 and leave a voicemail. We check both inboxes multiple times a day. We will be returning to the building soon to be there for your in-person concerns including Chromebook returns. Please look for details about this in the coming weeks as we will have requirements for everyone entering the building.

Thank you and stay safe!

Is Your Student  
Returning to TCS@ODU  
in the Fall?

### Nurses Notes:

Please send in an updated vaccine record for your student as soon as possible for next year. This is required per Ohio Law.

If your student is planning on returning to TCS@ODU next year (2020-2021) please complete the returning student registration packet forms, we have made them available to be filled out online!

**Please click on the following link: [TCS@ODU ASIP 2020-2021](#) to complete the returning student packet.**

We need one packet completed for each child you have attending TCS@ODU.

Thank you for all of your support. If you have any questions about these forms, please email Gail Collins at [collins.5@thecharlesschool.org](mailto:collins.5@thecharlesschool.org)

Vaccination Requirements for 2020-2021 school year:

- all incoming 9-11th graders are required to have 1 MCV4 vaccine
- all incoming 12th graders are required to have 2 doses of MCV4 vaccine. \*only need 1 if first dose was given on or after the 16th birthday\*

If a Prescription medication was left at the school, a process to retrieve them is being developed and will be communicated soon. Please stay safe and healthy!
