Mission

The mission of The Graham Family of Schools is to help all our students grow in their academic and social and emotional learning, ongoing. Our aim is to continuously advance students’ skills and demonstration of: critical analysis and problem solving; collaborative team work; thoughtful reflection on experiences; and sharing in responsibility for academic success and a safe learning community for all.

Enacting the Mission

All our efforts are toward preparing students to be successful in achieving this mission as they work toward full readiness for the next grade level and ultimately college and careers. At our schools, we will:

- Maintain and promote a growth-mindset toward all students and staff such that everyone has an expectation to grow in their intelligence and its display.
- Foster in students a commitment to: self-direction in their learning; and, the school and wider community in which they live.
- Teach at all grade levels with sensitivity to brain development in children, including course and class lessons that focus on human brain development and its relation to learning and growth academically, socially and emotionally.
- Utilize the community outside the school doors as a resource to advance experiential learning for our students.
- Treat all students and staff with compassion, honesty and respect.
- View academic achievement as a reflection of both student and teacher jointly teaming for success.
- Create, state and display the norms for how people are expected to act at school regarding academic work and behavioral interactions.
- Design an operational strategy at each TGFS school for advancing our work in academic achievement, social and emotional learning, grade advancement, and college and career readiness.
Our Schools

The Graham Family of Schools (TGFS) is a group of public charter schools located in Columbus, Ohio, begun in the 2000-01 school year and focused on bringing experiential education to urban students. It now has three schools: Graham Elementary and Middle School (GEMS), a K-8 school near The Ohio State University; The Charles School at Ohio Dominican University (TCS), an Early College high school, on Brentnell Avenue near ODU; and The Graham School (TGS), a high school, on Indianola Avenue in Clintonville.

TGFS believes the Columbus community is a vital resource for our students to learn in and with, and partners widely with businesses and organizations in Central Ohio and beyond. Students and staff at our schools interact with these partners for a variety of educational experiences that enhance our academic mission.

GEMS, TGS and TCS are formally affiliated with EL Education, a national organization bringing expeditionary learning and best practices to K-12 schools nationwide. TCS partners with Ohio Dominican University, Columbus State Community College, and the Middle College National Consortium in New York City to support its work as an early college high school. Both high schools are partnering with the University of Chicago on a program focused on ninth grade success.

Administrators, teachers and staff at our schools are highly qualified in their teaching or support areas, and serve our students with challenging and caring academic work and social and emotional support. The Boards governing our schools are engaged community leaders, deeply committed to the mission of our schools. The schools are authorized and sponsored by the Educational Service Center of Central Ohio, and all our work is overseen by the Ohio Department of Education and the state’s Board of Education.
Dear Students and Families,

Welcome to the 2021-22 year at The Charles School at Ohio Dominican University. We are delighted that you are part of our learning community.

➢ maintain optimal learning opportunities for students and

Introduction

The Student and Parent Handbook is designed to provide an overview of the intent and operation of The Charles School at Ohio Dominican University in order to help ensure the greatest opportunity for success. Any questions about the contents of this handbook, or the school as a whole, should be directed to the school office. We welcome parents/guardians to visit the school, to contact staff, and to participate as partners with us in the education of their children.

The Charles School Mission:

The mission of TCS is to provide a diverse population of Ohio’s high school students access to, and support for, an immersive and successful college experience while completing rigorous high school coursework and preparing for careers.

The Charles School Vision:

TCS pursues excellence by providing a safe and innovative learning environment that cultivates a growth mindset and supports social and emotional learning, while bridging the transition to post-secondary aspirations.
The Charles School at Ohio Dominican University is grateful for the ambitious choice that its parents and guardians have made to enroll their students in our college preparatory environment. We know TCS@ODU is a different type of environment, as evidenced in the Handbook you are reviewing, but we believe we are the type of school that can and will produce amazing results for your child, if we can work in partnership with you to do so.

To provide that excellent education, we ask quite a bit of our students every day, such as their energized participation in our school day, their commitment to a positive school culture, and their efforts to pursue excellence of academics and character outside of the school.

We are honored to provide our students with support when they are with us during the school day. We know that support has to come just as much from the home setting as it does from TCS@ODU in order for our students to be in the best position to truly pursue success in college and life. For this reason, we ask our families to commit to the following guidelines to help us provide your student with the best education possible this year:

1. It is essential that our students arrive to school on time every day, stay the entire day, and that they are in attendance every school day. We ask our families to fully commit to ensuring that students are here with us at 8:00am every morning, in their seats, ready to learn.
2. Your student will be enrolled in a small group advisory period daily that we call Crew. In Crew, your student will set challenging and courageous goals, learn more about themselves, and develop strong bonds with their classmates. In addition, they will also learn about social and emotional topics which will help them better understand their changing brains and emotions. This research-based curriculum has been found to be hugely beneficial for teenagers. Finally, career-interest topics will also occur in Crew. We ask that families support the teaching, learning, and bonding that their students will do in Crew.
3. Our students will often set ambitious goals in our Crew setting within our school that are meaningful to them outside of the school, or require support outside of the school. We ask our families to be active participants in supporting their pursuit of those goals outside of the school, whenever possible, in combination with your student’s Crew advisor, teachers, counselors and deans.
4. Our school is excited to make frequent communication with each of our families on a consistent basis. Many times, we will call just to provide an update or to tell you about a success your student had during the day. Other times, we will need to call to communicate with the family about growth we want our students to make, academically or behaviorally. It is the expectation of TCS@ODU that all calls are answered or returned by our families in a timely manner, no more than 24 hours after the call is placed. We will leave a voicemail or follow up with a text or email if we do not get ahold of you when we call.
5. In the same way, families will be provided with interim academic reports, quarterly report cards which include comments from the teachers. These reports provide students and families with regular updates on behavior, attendance and grades. It is essential that we know these
documents are being given to the family, as they are our primary methods of family communication.

6. Expect students to have homework on a regular basis. All homework is expected to be completed to the best of the student’s ability on its due date. We ask that our families take an active role in supporting our students’ homework effort and completion every evening.

7. There may be times when families and our school need to work together to find context and solutions for academic, disciplinary or other decisions that may happen in the school. Families may contact the school at any time at 614-258-8588, and staff members are available by e-mail. We ask that requests for conversations are made with the appropriate person, beginning first with the student’s teacher or Crew advisor, then the deans. Requests to speak with a specific staff member in person will require an appointment. We are honored to share the same goal that you have for your child—success in college and life—and will conduct all conversations with families with this in mind. We ask that all families do the same.

8. Sometimes, we need to meet with our families for a mandatory behavioral meeting, especially in the case of an Out-of-School Suspension. These meetings will be essential to setting strong, clear next steps that everyone can agree upon about your student’s progress at our school. Additionally, if your student receives special education services, there will be times that our Intervention Specialists will need to legally conduct an ETR/IEP review with you present at the meeting. If any of these meetings are necessary, it is your responsibility to work with us to be present at a time that is convenient for both your schedule and the school’s.

10. Finally, it is absolutely essential that our students are picked up at the end of each school day, on time. Our school day ends at 2:45. It is essential that our students board their bus or are picked up at our building in the timeliest fashion possible for their safety and security.

We ask that our families adhere to these guidelines so that we, as a school, can do everything we can on a daily basis to provide your students a truly excellent, well-rounded education. We are so excited for that opportunity and so honored by your trust. We ask that you read our entire Student and Family Handbook carefully to know all of our school’s policies, and call our deans with any questions you may have. Additionally, it is essential that you read and sign this Family and School Agreement of Mutual Support (the last page of the handbook). Signing this agreement lets us know that you are committed to making this school year the success that we know it can be, one in which your student will take an ambitious step towards college preparation.

Once again, we are truly honored that you have chosen TCS@ODU for your child’s education. We look forward to working with you this year!

Process for Addressing Concerns of Parents and Families:

Guardians may contact the school at any time by calling 614-258-8588.

1. They may request to speak with a specific staff member by appointment only.
2. Other personal concerns such as the student’s health or behavior are best addressed through direct contact with one of the school’s administrators.
3. If concerns of parents are not resolved at the initial level, parents are encouraged to make an appointment to meet with an administrator. Administrators are not always available when a parent visits the school.

Parents and families may bring any matter to the attention of The Charles Schools’ Board of Education, either through individual contact with a member of the Board, or by addressing the full Board at its monthly public meeting. Concerns brought before the Board at public meetings will receive formal notice of grievance disposition by U.S. Mail.

Parent and Family Communication

We support families by communication with them through the following measures:

1. Our school meets with families prior to the beginning of the school year with an Open House.
2. Families & students are given the Student & Family Handbook at the beginning of each school year. The handbook is also available at: https://www.thegrahamfamilyofschools.org/TCSParents.aspx
3. Information related to school and family/parent programs, meetings, and other activities are communicated to all families through the school’s weekly family communication, monthly Family Engagement Council meetings, and monthly newsletters. Information about all of these can be found on the school’s website.
4. Emergency or vital information is communicated through automated phone calls, text messages, and e-mail. We encourage families to provide an updated telephone number or e-mail address and alert the school of changes.
5. Families are given opportunities to meet & share ideas at monthly Family Engagement Council meetings or at special events.
6. Teachers and administrators are available by appointment for meetings with all students and families.
7. Families are informed each quarter by teachers through the mailing of detailed and personalized narratives on the academic progress of their student(s).
8. Parents will be notified of behavioral concerns either via email or phone
9. Teacher and staff e-mail addresses are found on-line through TCS web site.
10. Families with computer access are able to view and monitor their student’s grades, assignments, and homework online via PowerSchool.
Promoting Parental and Family Involvement and Volunteerism

The Charles School is committed to creating a welcoming environment for parents and families in the school by ensuring that office staff greet parents, provide signage near the entrances and that any other interactions with parents creates a climate in which parents feel valued and welcomed. Every effort is made to schedule parent-teacher conferences at times when parents can attend and participate.

Parents that visit TCS @ ODU are asked to follow school policies and conduct themselves appropriately, following the directions of administrators and/or staff. Parents are asked to sign-in and wear a visitor’s badge while on school property to be in compliance with the school’s emergency/safety policies.

Lunches:

1. A parent who wishes to provide a lunch for the student instead of the one provided by TCS @ ODU is required to bring the lunch to the school office where the student will be called to obtain it during the student’s lunch period.
2. If the parent desires to eat lunch with the student, the parent will be required to sign-in as a visitor and wear a Parent Visitor badge.
3. As always, parents visiting for lunch are asked to follow the directions of school staff.
4. Parents who become disruptive to school order and refuse to follow the directions of school staff and/or TCS @ ODU policies may, at the school administrator’s discretion, be asked to leave school property.
5. Students are not allowed to receive lunch deliveries from hired services (such as DoorDash and GrubHub). Lunches may only be dropped off by a parent or an individual on the approved contact list for each student.

Monthly Family Engagement Council:

The Charles School recruits parents to serve as leaders. This team develops plans to mobilize parents in support of their students and the school. TCS @ ODU provides monthly meetings during the school year, where parents may formulate suggestions and participate in decision-making about the education of their students. The Charles School Family Engagement Council encourages and supports parental involvement in the following capacities:

1. Provides a forum for advice on all matters related to parental involvement, activities and programs.
2. Builds community while raising funds for school activities.
3. Assists staff in maintaining a safe & attractive facility, including outdoor furniture, sporting equipment, and landscaping.
Parent & Family Volunteer Program

The staff is encouraged to value parental and familial contribution and involvement in all aspects of classroom and experiential teaching. They are encouraged to give families opportunities to support their commitment to TCS @ ODU by contributing to school activities on a regular basis while under staff supervision.

1. Parents that are unable to volunteer in the school building are encouraged to help in other ways—at home or at their place of employment.
2. Parents volunteering with students without staff supervision must have an acceptable and current BCI/FBI report and fingerprinting done at their own expense.

The Charles School is committed to continuously improving its educational practices in the following ways:

1. Parents are encouraged to provide feedback to staff about the effectiveness of the school at all public assemblies, including the orientation, frequent open house meetings, and parent meetings convened monthly during the school year.
2. Staff provides regular meetings, at parents’ requests, where parents may formulate suggestions and participate in decision-making about the education of their children.

Policy on the Limits of Confidentiality

It is important that students and their families understand the limits of confidentiality within the school setting: Teachers, administrators, counselors, psychologists, social workers, and many other select licensed persons who work with the public, are considered by Ohio Revised Code, Mandatory Reporters. As such, those persons are MANDATED BY LAW to report suspected child abuse and/or neglect. Those suspicions may be directly observed, expressed by student or parents in conversation, or may be inferred through observation of mood, physical appearance, etc. They may also be physical, emotional, or psychological in nature.

If a situation arises that would prompt a suspicion of abuse or neglect, the school employee will be compelled to make such a report to Children’s Services. No Charles School employee may hold confidential information of that nature.

Students and families should be aware that students sometimes share information in a confidential manner with teachers. As employees of The Charles School, there are times that those conversations may be confidentially shared with supervisors or administrators as necessary.

Honors and Awards

The Charles School recognizes outstanding achievement in Academics with special recognition at the end of each school year.
1. **Academic Awards:**
   a. Each academic area – Mathematics, Social Studies, English, Science, and Global Language – recognizes one student each year from each grade as the Exceptional Student in that discipline. Awards are given for Honor Roll (3.0 – 3.49 GPA and above) and Deans List (3.5 – 4.0 GPA and above).
   b. A student is also recognized for achievement in the English Language Learners (ELL) program, Fine Arts, Physical Education, Health, Attendance, Excellence in the Early College Programs, and “The Biggest Leap Forward Award.”
   c. The Charles School Administrators each recognize a student with “The Dean’s Award for Courage,” “The Gabe Gaiusbayode Award for Community Leadership,” “The Dean’s Award for Perseverance,” “The Dean’s Award for Integrity,” and the “True Panther Award.” Awards are also given for our panther pillars.

**Special Education**
Special education services and adaptations to the regular education program are provided for students who are eligible for special education. People with questions concerning these services and eligibility issues should contact a dean.

**School Counseling**
A school counselor is available for students during the school day to support them in their academic, college, career, and social/emotional needs.

**Transportation and Busing**
1. **To and From TCS @ ODU:** Students who live within the Columbus City School District (CCSD) and are two or more miles from TCS are eligible to be bussed.
   a. All other students must arrange their own transportation.
   b. Questions on this matter should be directed to the front office.
2. **Dropping off and Picking up Students at TCS @ ODU:** Parents, guardians and other responsible adults who are planning to either drop off or pick up students at TCS must follow the designated traffic pattern. Families are asked to follow staff directions during arrival and dismissal for the purposes of safety and efficiency.
3. **Driving to TCS @ ODU:** Student parking passes are available for purchase by TCS @ ODU students who have a valid driver’s license and proof of automobile insurance.
   b. Parking passes are a privilege and will be distributed primarily upon need, location of student residence, and the availability of alternative transportation.
   c. Parking passes will be revoked if a student abuses the privilege.
   d. *Parking passes are available on a limited basis.*
e. If you or your student have not purchased a parking to park on the lot, the car may be subject to tow, as it is parked illegally and without permission of TCS @ ODU.

**Arrival and Dismissal Procedures**

In the 2021-22 school year, we will be using the same arrival and dismissal procedures as in 2020-21. This helps us have a more calm and orderly start and end to our day. It is our goal that all of our students will be able to get to class in a calm and orderly manner each morning. Bus and family drop off locations will remain the same. A staff member will greet students from the bus each morning. Students being dropped off by families will be dropped off in the exact same fashion and will be greeted at the front doors. When students come into the building, they may pick up their free breakfast immediately in the gym. All students will immediately report to their first period classrooms. Classes begin at 8AM every day and students will be tardy if they are not seated and ready for class at 8AM. Tardies impact students’ ability to be successful in their classes.

At the end of the day, students will be dismissed in an urgent but orderly fashion. All students will remain in their 8th period classrooms until they are notified of their dismissal. Buses will pick up students in the main building parking lot. Car riders will be picked up in the church parking lot. Car riders and students who drive will exit the south doors next to classrooms 1 & 2. Bus riders and walkers and COTA bus riders will exit the main building doors next to the gym.

**Car Riders:** Families picking up their students will be asked to pull into the church parking lot and form a single car line with the first car in line near the north side exit but far enough away to ensure that other cars can pass. We will form two lines which will help speed up the process. A Dean and a few other staff members will be present in the lot 5 minutes prior to the end of the day in order to direct traffic. The Dean will dismiss car riders from their 8th period classes as soon as their ride arrives. Car riders will exit the south doors next to classrooms 1 & 2. We ask that families picking up their students not enter the main parking lot or the parking lot outside of the Brentnell Recreation Center.

**Bus Riders:** Buses will pull into the main building parking lot. Bus riders will exit the building through the main building exit by the flagpole. Students will be dismissed to buses as they arrive by a Dean via walkie talkies. A staff member will be present as well to help speed up the boarding and seating process.

**Drivers:** Students who drive themselves and those who go with them, will be dismissed as soon as the church parking lot is reasonably clear. The Dean and staff members who are present in the lot will be present to help speed up the process and be sure that the lot is clearing safely. Students who are Drivers will exit the building via the south doors next to classrooms 1 & 2.

**Walkers/COTA Bus Riders/Rec Center:** Walkers, COTA Bus Riders, and students going to the Brentnell Recreation Center will exit the building via the main building doors next to the
gym. Students who walk will be dismissed via walkies after the last bus has been called and loaded. A Dean and other staff members will be outside to ensure that students get to where they’re going. The COTA #9 going South leaves the #1845 stop at 3:16PM. The COTA #9 going north (#1844 stop) leaves that stop at 3:18PM.

**Remaining students:** Periodically, students need to wait for their rides. We will have students waiting in the CRC in the front of the building for their rides. If families arrive after 3PM, they are asked to come up to the building. They can check in at the Front Desk and we will get their student from the CRC.

If you have questions about these procedures please do not hesitate to ask. We will have the parking lots signed and cones present so as to help direct traffic. We also ask for your cooperation so that we can keep safety and order at the heart of our students’ day. With everyone’s cooperation, dismissal will be urgent, safe, and orderly.

**The Charles School Building Hours**

The Charles School building will be open for students, Monday through Friday from 7:30 am to 3:15 pm (one-half hour before school begins and after school ends). The school and/or individual teachers may have scheduled events before or after these hours. In every case, TCS @ ODU will have staff supervision whenever it is open to students.

The academic requirements for graduation from The Charles School at Ohio Dominican University meet or exceed the minimum standards set by the State of Ohio.

Experiential

The Charles School at Ohio Dominican University is founded on an experiential approach to education. Much of the curriculum in all subject areas relies on authentic, hands-on experiences, including, but not limited to, the opportunity students have to take courses on a college campus. It is through these experiences that our students develop the critical thinking, self-knowledge, and collaboration skills necessary for success in college and the professional world.

Earning Academic Credit – Evaluation System

In accordance with our partner institution, Ohio Dominican University, The Charles School awards traditional A-B-C-D-F grades. The Charles School combines methods that have proven to be successful at other schools with unique methods of our own to produce an evaluative approach that recognizes that students need to acquire and be able to use essential skills to be successful in high school and in life after high school.
Using our Graduation Plan, closely tracking student progress in earning credit, and individual classroom instruction, we seek to promote self-direction within our students. We want our students to eventually take ownership of and responsibility for their educational objectives. The Charles School issues final grade evaluations at the conclusion of a course that are founded on students meeting expectations within a class. As a course progresses, students will be issued quarterly progress summaries at the end of each quarter, as well as other progress reports in the event that additional communication is necessary.

Our evaluative structure measures expectations with the following progress indicators and final evaluative marks:

**A:** This evaluation indicates that a student has exceeded the expectations that were established for this student by the classroom teacher. Students earning an A as a final evaluative mark for a semester class or for a year-long class will **earn academic credit for the course**.

**B and C:** These evaluations indicate that a student has met the expectations that were established for this student by the classroom teacher. Students earning a B or a C as a final evaluative mark for a semester class or for a year-long class will **earn academic credit for the course**.

**D:** This evaluation indicates that a student has made strides toward meeting the expectations that were established for this student by the classroom teacher. The student is on the way toward earning a passing grade but is not there yet. Students earning D as a final evaluative mark for a semester class or for a year-long class will **not earn academic credit for the course**.

**F:** This evaluation indicates that a student in a particular class or placement is, in fact, just beginning and has not yet seriously begun to address and achieve the expectations that were established for this student by the classroom teacher. Students earning an F as a final evaluative mark for a semester class or for a year-long class will **not earn academic credit for the course**.

**AU:** The audit is a grade given for a student that has participated in a course, but does not intend to be awarded credit for that course. This grade is primarily reserved for students that join a class after such time as the student could not reasonably be expected to complete the requirements for earning credit. Students auditing a course will **not be awarded academic credit for that course**.

**IN:** The incomplete is a grade that indicates that there is considerable work that a student would need to submit prior to an accurate evaluation being made. This grade is primarily reserved for students that have had an extended absence from school. The incomplete is a temporary grade that, if awarded as a final evaluative mark, will be converted to a different, permanent grade no later than two weeks from the conclusion of the grading period.

At the end of each quarter, the teacher will provide the student with two progress indicators:
1. A progress indicator for the student's performance during the quarter in question. This indicates the student's recent performance, and is not necessarily a summarizing grade for the student's performance in the course's entirety.

2. A progress indicator for the student's performance to that point in the course. This indicates the entirety of the student's performance in the course.

Final evaluative marks and quarterly progress reports will, in addition to the letter grade, include a narrative, written by the teacher, so that the student, the parent/guardian and other interested parties will have a greater understanding of the totality of the student's performance in a variety of identified essential skills and academic objectives.

**Grade Level Determination and Eligibility for the OST Test**

Student class level is based on the number of academic credits that have been earned.

1. Ninth grade students are those that have earned fewer than 5.5 credits.
2. Tenth grade students have no fewer than 5.5 credits.
3. Eleventh grade students have no fewer than 11 credits, and
4. Twelfth grade students have no fewer than 16.5 credits.

**Testing**

The State of Ohio requires its students to participate and pass the state of Ohio standardized, graduation test (OST), and adheres to the guidelines for when each age/grade a student must be included in each testing group.

1. Attendance on each of these testing days is **required** unless a parent or doctor's note is submitted to the office, specifically stating that the student is unable to attend.
2. Missed test(s) will be made up, within the testing window, upon the student’s return to school.

Parents/Guardians should make sure that their student is well-rested on the day of each test and has had a healthy breakfast to ensure that the student has the best possible chance for success.

**Textbooks**

Students are loaned textbooks for some classes at the beginning of the year and throughout as each syllabus dictates.

1. Each book has a barcode on the back. The books are “checked-out” to each student using their student ID number and this barcode.
2. At the end of the year or when the class no longer needs the textbook, each student will turn in each of their books to be scanned in. Once the books are scanned in, the borrowed book will automatically be “checked-in” and the student is no longer responsible for it.
a. If a student turns in a book that does not correspond to the barcode in the system, they will not receive credit for it.
b. They will then be responsible for the replacement of the borrowed textbook.

3. Students are not to deface, devalue, or write in borrowed textbooks. If a textbook is returned in a condition less than acceptable for reasonable wear and tear the student will be responsible for supplying a replacement.

Policies and Procedures

Code of Student Conduct and Disciplinary Process

The Charles School at Ohio Dominican University is a learning community built upon the foundation of relationships, both personal & organizational. TCS @ ODU thrives because of the relationships we build and nurture. Through the continued fostering and development of these relationships, we have been able to forge a learning community where each contributor to our community – whether a student, a staff member, a parent, or a volunteer – also becomes a benefactor. We think that we have created a high school environment unique to this area and beyond.

While this aspect of TCS @ ODU may distinguish us from other schools, we anticipate some of the usual behavioral problems that are an aspect of all American high schools. Our efforts aim to respond to behavioral problems in a manner consistent with the school’s vision, mission and philosophy. Our objective is to respond to behavioral problems in a preventive rather than punitive manner.

The misconduct described below includes that misconduct occurring on:

1. school property,
2. a school bus, or at a
3. school-related function and in addition and regardless of where it occurs or
4. misconduct that is directed at another student, school employee, school official, or school property.

Administrators retain the right to search a student’s person or property when there is a suspicion that student code of conduct rules are being violated. Refusing a search by an administrator may result in presumption of guilt and result in the appropriate consequences.

Violation of any of the following rules may result in disciplinary action, including, but not limited to, suspension and/or expulsion from school:

1. Academic Honesty
   Cheating on academic & experiential work and plagiarism of any kind is prohibited and inconsistent with the objectives of The Charles School Learning Community and in some instances; plagiarism is a violation of the law.

   Plagiarism Defined:
   The Charles School at Ohio Dominican University defines plagiarism broadly to include the stealing and/or passing off of the ideas, words and works of another as one's own. Plagiarism can take many forms including, but not limited to: the words or ideas of another taken from a variety of sources including, books, magazines, the Internet, newspapers, interviews, television
programs and other sources combined with the attempt to use these words or ideas in any format without documenting their source. Whenever in doubt about the origin of thoughts, ideas, words, phrases, or work, students should cite the source for the material rather than run the risk of engaging in plagiarism.

Students who are caught cheating on evaluative tools:
1. will be deemed to have earned no credit for the specific piece of work and
2. will forfeit the right to an alternative evaluation.

2. Alcohol, Prescription Drug, Over-the-Counter Drugs, and Illegal Drugs

Prescription medications taken during the school day are to be dispensed by the school’s administrator and overseen by the school’s nurse (see “Administration of Medicine by School Personnel” policy).

No student shall use, possess, transmit, or sell any alcohol on school property or on a school bus. No student shall unlawfully use, possess, transmit, or sell any prescription drug, over-the-counter drug, or illegal drug on school property or on a school bus. This also includes paraphernalia in order to conceal, use, possess, transmit, sell or distribute alcohol, prescription drugs, over-the-counter drugs or illegal drugs.

Students suspected of having recently used or consumed or under the influence of alcohol or drugs will be subject to being sent home, suspension or expulsion per Administrator’s discretion and school protocols. In these events, parents/guardians will be notified. Columbus Police Department might also be notified in severe cases per Administrator discretion.

3. Anti-Discrimination, Anti-Harassment and Anti-Bullying

Students are prohibited from engaging in unlawful discrimination, harassment and bullying in violation of TCS @ ODU anti-discrimination, anti-harassment and anti-bullying policies set forth in attached Appendix D.

4. Assault, Participation and/or Observation

A student shall not behave in such a way that could threaten to cause physical injury to another person. A student shall not assemble to observe, document, or encourage an assault nor inhibit school personnel from intervening when an assault occurs.

5. Bomb Threat

A student shall not threaten to bomb, use explosives, or burn the school building or anyone in it.

6. Technology Use

TCS @ ODU is pleased to offer members of its learning community access to our computer network. This network includes use of the Internet and the World Wide Web. This access provides immense, diverse and valuable resources to our learning community.

Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication.
Access to the Internet will allow learners to explore thousands of databases and libraries, as well as communicate with Internet users worldwide. Some material accessible from the Internet may contain information that has no educational value and in some cases is inappropriate and even illegal. Such misuse of technology can result in a student losing any or all privileges on computers. Our intent is to make the Internet available to further educational goals and objectives. The positive resources and benefits derived from use of the Internet overwhelmingly outweigh any negative aspects. This section constitutes The Charles School’s Acceptable Use Agreement for Technology.

Students will be provisioned usernames and passwords for network resources including:

1. A Computer Account allowing internet access and file storage
2. A school email account
3. Read-only access to certain portions of their record PowerSchool, the student information system of record for The Charles School
4. Access to the school’s Learning Management System and/or Electronic Portfolio system

Students may periodically be asked to create accounts for other online resources consistent with the agreements of those particular services.

The Charles School reserves the right to pursue reasonable disciplinary actions or limit student access to the network or technological resources for any reason. These reasons include, but are not limited to the following:

1. Logging on with another person’s user ID.
2. Obtaining unauthorized access to any school or public system,
3. Plagiarism or violating copyright law, including downloading or storing “pirated” copyrighted materials including music, videos, and software.
4. Logging on to Facebook, Instagram, SnapChat, Twitter, YouTube, Vine, or other social media sites are inappropriate for use during the school day and are considered distractions to students’ learning.
5. Vandalizing or breaking technology, i.e. camera, network, or computer
6. Attempting to circumvent the school’s proxy server, use to filter inappropriate websites for students
7. Accessing or posting material that is sexual, inappropriate, violent or annoying.
8. Using the network to harass others.
9. Vandalizing the computers or the network.

7. Dishonesty

Students shall not engage in any dishonest behavior, including, but not necessarily limited to, providing false information, forging a parent or teacher signature on school forms, attendance notes, or any other document, and shall not impersonate a parent or a teacher.

8. Dress Code
The TCS@ODU dress code seeks to accomplish several goals:
• Maintain a safe learning environment in all classes for all students.
• Allow students to wear clothing of their choice that is comfortable.
• Allow students to wear clothing that expresses their self-identified gender.
• Allow students to wear religious attire without fear of discipline or discrimination.
• Prevent students from wearing clothing with offensive images or language, including profanity, hate speech, and pornography.
• Prevent students from wearing clothing with images or language depicting or advocating violence or the use of alcohol or drugs.
• Ensure that all students are treated equitably regardless of gender/gender identification, sexual orientation, race, ethnicity, body type/size, religion, and personal style.

Classes or assignments with specific dress code requirements for safety purposes, including protective eye wear, closed-toe shoes, or athletic wear will have these requirements in the syllabus and students will be made aware of the days that require different dress. Assignments that may have different dress code requirements include, but are not limited to: labs, interviews and field trips.

Dress Code Requirements: Certain body parts must be covered for all students at all times.
Clothes must be worn in a way such that genitals, buttocks, and nipples are covered with opaque material. Cleavage does not have coverage requirements.

Students Must Wear:
• Shirt/dress
• Bottom: pants/sweatpants/shorts/skirt/dress/leggings
• Shoes; activity-specific shoes requirements are permitted (for example for sports or science classes)

Students May Wear:
• Hats, including religious headwear
• Hoodie sweatshirts (over head is allowed)
• Fitted pants, including leggings, yoga pants and “skinny jeans”
• Midriff baring shirts
• Pajamas
• Ripped jeans, as long as underwear is not exposed.
• Tank tops, including spaghetti straps, halter tops, and “tube” (strapless) tops
• Athletic attire
• Clothing with commercial or athletic logos

Students Cannot Wear:
• Violent language or images.
• Images or language depicting drugs or alcohol (or any illegal item or activity) or the use of same.
• Hate speech, profanity, pornography.
• Images or language that creates a hostile or intimidating environment based on any protected class.
• Visible underwear. Visible waistbands or straps on undergarments worn under other clothing are not a violation.
• Helmets or headgear that obscures the face (except as a religious observance).

TCS@ODU school dress code enforcement actions will minimize the potential loss of educational time. Administration and enforcement of the dress code will be gender neutral and consistent.

This dress code is inspired in part by and adapted from the Oregon NOW Model Dress Code

9. Excessive Tardiness & Skipping Class

Students are prohibited from being tardy on an excessive basis. Students are prohibited from being absent from class without excuse for more than 10 minutes. Absences beyond 10 minutes are defined as skipping.

10. Gambling

A student shall not engage in gambling or possess a gambling device.

11. Harassment/Intimidation/Hazing

A student shall not harass, intimidate, disparage, incite, provoke, stalk, or threaten any individual on school premises or virtually, or in any other manner disrupt the school environment.

For this purpose, harassment or intimidation includes: slurs; profanity; written information; denigrating remarks or actions; obscene gestures; the wearing or display of insignia, signs, buttons, clothing, or apparel; or other verbal or physical conduct including, but not limited to, those based on race, color, native language, national origin, ancestry, sexual orientation, gender identity, citizenship, religion, handicap, age or sex that have the purpose or effect of:

1. causing or intending to cause any other student or school employee to be reasonably placed in fear of his or her personal safety;
2. causing or intending to cause a hostile, intimidating, or offensive educational environment for any other student or school employee;
3. causing or intending to cause material disruption of the educational process;
4. unreasonably interfering with a student's curricular, co-curricular or extracurricular performance; or
5. otherwise unreasonably having an impact on a student's educational opportunities.

Hazing activities of any kind are prohibited at all times. Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person or living creature.

12. Leaving the School Building

Students are not permitted to leave the school building during school hours without staff supervision, unless granted prior permission by an authorized adult. A student leaving the building during school hours with permission is required to sign out in the main office.
13. Misuse of Communication Devices, (i.e. cell phones, smart watches, and all other electronic devices)

Use of cell phones, electronic handheld games, MP-3 players, iPods, tablet computers, cameras, and other electronic devices are regulated during school hours (from 8:00 a.m.-2:45 p.m.). We recognize the need for a cell phone in today's world, but we ask parents/guardians to call the main office at The Charles School in case of an emergency, or wait until the end of the school day to contact your child.

**Students are NOT to have or use cell phones/electronic devices, headphones or earbuds during class periods without explicit teacher permission (this includes the hallway during class periods).** Charging is at teacher discretion; staff and school are not responsible for lost or stolen devices. Should a student leave a phone or phone accessory at the end of a class period, they must wait until transition time to retrieve it. Students may use their devices appropriately during lunch and transitions between classes.

During lunch and transitions:
- Music is acceptable with personal headphones.
- Pictures and videos are only permitted outside of classrooms and bathrooms and with permission from all parties. *
- Students must have devices and earbuds completely turned off and put away by the time the bell stops ringing to begin class periods.

If devices are visible to staff during class periods, TCS @ ODU will follow this process:
- 1st Offense: Student will earn a verbal or unofficial written warning and must put the phone/device away. (If a student receives consistent reminders, an individual behavior plan will be created for that student.)
- 2nd Offense: Phone/device must be turned in to the office and can be collected after the final bell by student.

If the student must turn their phone in to the office more than once during a school week, the parent/guardian must have a conversation with administration within a week.

Students who refuse to comply with the TCS cell phone policy will:
- 1st Refusal: Turn in phone to office, call home, and earn a lunch detention
- 2nd Refusal: Turn in phone to office, call home, and earn a lunch detention. Parents notified
• 3rd Refusal or Beyond: There will be further disciplinary action taken at administration’s discretion **

*See Code of Conduct #6 for details on school policies for content of electronic devices.

** Please see discipline tiers for possibilities for consequences.

14. Non-school Promotion/ Selling

Students are not permitted to advertise, solicit, recruit, or promote non-TGFS agencies or organizations without administration approval. This includes, but is not limited to, the selling of food or merchandise for fundraising purposes.

15. Other Misconduct

Any other misconduct, which interferes with the educational process of safety of others, is prohibited.

16. Perfume Policy

In order to provide for a healthy air environment, TCS will not allow any heavily scented item to be dispersed in public areas during school hours. This may include but is not limited to perfumes, body sprays, or lotions. Students who have violated this policy may have the offending items confiscated and kept in the office until the end of the day. If the student has perfume, body spray and/or cologne and they are found to be spraying it at or on other students, the spray will be confiscated and the student will be subject to disciplinary action at the discretion of the deans. If the student is repeatedly noted to have violated this policy, they may be subject to disciplinary action at the discretion of the deans. This policy is in accordance with the American Lunch Association best practices for community members with sensitivities, asthma, or allergies.

17. Possession, Use or Transmission of Firearms, Knives, Other Weapons

No students shall possess, use or transmit any kind of firearm, look-a-like firearm, knife, razor, mace, pepper spray, lighters or any item that can be considered a weapon or used as a weapon, including, but not limited to chains, handcuffs, brass knuckles, explosive devices, ice picks, swords, tasers, or box cutters.

1. A “knife” is defined as any device that has a pointed or sharp edge and that can be used for cutting, slicing, or stabbing.

2. A “firearm” is defined as and shall include, but not be limited to: any weapon (including a starter gun) which will or is designed to or may readily be converted to expel a projectile by the action of an explosive or other propellant; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; or any destructive device.

3. The definition of “destructive device” includes, but is not limited to:
   a. any explosive, incendiary, or poisonous gas, including, but not limited to, a bomb, grenade, rocket having a propellant charge of more than four ounces, mine, or
c. a device similar to any of the devices described herein and from which a destructive device may be readily assembled.

18. Possession of Pornography
Possessing sexually explicit material is prohibited, including on electronic devices.

19. Sexual Conduct and Sexual Harassment
A student shall not make sexual advances, requests for sexual favors, other physical or verbal conduct or communication of a sexual nature, including gender-based harassment that creates an intimidating, hostile, or offensive education or work environment, including, but not limited to, pinching, grabbing, suggestive comments, gestures or jokes or pressure to engage in sexual activity. Physical displays of affection between students are prohibited. This includes touching, petting, or any other contact that may be considered sexual in nature. Sexual activity of any nature is prohibited and will result in disciplinary action.

20. Smoking and Tobacco Use
Smoking or any other method of tobacco use by a student at TCS @ ODU, on school property, or on a school bus is prohibited. No student shall use, possess, transmit, or sell any tobacco product on school property, during any school activity, or on a school bus. Tobacco products include but are not limited to cigarettes, cigars, pipe tobacco, chewing tobacco, snuff, electronic, “vapor” or other substitute forms of cigarettes. TCS will not discern between vaping non-tobacco fluids and tobacco fluids. All forms of vaping and possession of vaping devices and paraphernalia are prohibited.

21. Theft
Theft of personal property of students, staff, or faculty and/or theft of school property is prohibited, violates the law and undermines TCS Learning Community.

An administrator will conduct a search if there is any reasonable suspicion in the form of direct observation or a tip from a student or other school official.

22. Truancy
Students are prohibited from being truant and truancy is an unexcused absence. See “TGFS Policy on Absenteeism and Truancy”.

23. Use of Profanity/Disobedient/Insubordinate/Disruptive Behavior
All students have a right to learn in a classroom environment that is free from disruptive behavior of other students. A student shall not refuse to comply with the reasonable requests of his/her teacher, an administrator, coach, extracurricular activity advisor, staff employees, or adult volunteers. In the case of extracurricular activities, “insubordination” shall also include the failure to comply with the rules or requirements established by the coach or advisor for that particular activity.

A student shall not use profane, vulgar, or other improper language, or gestures/actions spoken, written, or sent electronically. See “Behavior Expectations and Procedures”

24. Vandalism and other Damage to School or Personal Property
Vandalism and damage to school property and personal property of students, faculty and staff is prohibited, inconsistent with the objectives of The Charles School Learning Community and,
in most instances, a violation of the law. Students may be required to pay for repair or replacement of vandalized or damaged property.

25. Violence

A student shall not engage in violent behavior against a fellow student, teacher, The Charles School employee or against anyone who is on The Charles School property.

Suspension/ Expulsion

A. The superintendent or TCS @ ODU Administrators (who have, pursuant to board policy been given the authority that a principal has for purposes of suspensions) may suspend a student from school for up to but not more than ten school days.

a. If at the time a suspension is imposed there are fewer than ten school days remaining in the school year in which the incident that gives rise to the suspension takes place, the superintendent may apply any remaining part or all of the period of the suspension to the following school year.

b. Except in the case of a student given an in-school suspension, no student shall be suspended unless prior to the suspension the superintendent or TCS @ ODU Administrators do both of the following:

   i. An Administrator or superintendent shall provide the student with written notice of the intention to suspend the student and the reasons for the intended suspension and, if the proposed suspension is based on a violation listed in division (A) of section 3313.662 of the Ohio Revised Code (O.R.C.) and if the student is sixteen years of age or older, the notice shall contain a statement that the superintendent may seek to permanently exclude the student if the student is convicted of or adjudicated a delinquent child for that violation;

   ii. The student shall have an opportunity to appear at an informal hearing before an Administrator, superintendent, or superintendent’s designee and challenge the reason for the intended suspension or otherwise to explain the student’s actions.

B. Except as provided for below, the superintendent may expel a student from school for a period up to, but not greater than, eighty school days or the number of school days remaining in the semester or term in which the incident that gives rise to the expulsion takes place, unless the expulsion is extended as provided for in paragraph (F) below. If at the time an expulsion is imposed there are fewer than eighty school days remaining in the school year in which the incident that gives rise to the expulsion takes place, the superintendent may apply any remaining part or all of the period of the expulsion to the following year.

a. Unless a student is permanently excluded pursuant to section 3313.662 of the O.R.C., the superintendent shall expel a student from school for a period of one year for bringing a firearm to TCS or onto any other property owned or controlled by the board, except that the superintendent may reduce this requirement on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the O.R.C.
b. The superintendent may expel a student from school for a period of up to one year for bringing a firearm to an interscholastic competition, an extracurricular event, or any other school program or activity that is not located at TCS or on property that is owned or controlled by TCS. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the O.R.C.

c. The superintendent may expel a student from school for a period of up to one year for bringing a knife to a school by the board, onto any other property owned or controlled by the board, or to an interscholastic competition, an extracurricular event, or any other program or activity sponsored by the school district or in which the district is a participant, or for possessing a firearm or knife at a school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity, which firearm or knife was initially brought onto school board property by another person. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the O.R.C.

d. The superintendent may expel a student from school for a period up to one year for committing an act that is a criminal offense when committed by an adult and that results in serious physical harm to persons as defined in division (A)(5) of section 2901.01 of the O.R.C. or serious physical harm to property as defined in division (A)(6) of section 2901.01 of the O.R.C. while the student is at school, on any other property owned or controlled by the board, or at an interscholastic competition, an extracurricular event, or any other school program or activity. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the O.R.C.

e. The superintendent may expel a student from school for a period up to one year for making a bomb threat to a school building or to any premises at which a school activity is occurring at the time of the threat. The superintendent may reduce this disciplinary action on a case-by-case basis in accordance with the policy adopted by the board under section 3313.661 of the O.R.C.

f. Any expulsion provided for above shall extend, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. As used above, “firearm” has the same meaning as provided pursuant to the “Gun-Free Schools Act,” 115 Stat. 1762, 7151.

C. Notwithstanding the foregoing, the superintendent may reduce the requirement set forth in paragraph B(1)(a) above and the actions in paragraphs B(1)(b), (c), (d) and (e) on a case-by-case basis by taking into consideration the following factors:
a. The academic record of the student and a record of any extracurricular activities in which the student previously was involved;
b. The disciplinary record of the student and any available records of the student’s prior behavioral problems other than the behavioral problems contained in the disciplinary record;
c. The social history of the student;
d. The student’s response to the imposition of prior discipline and sanctions imposed for behavioral problems;
e. Evidence regarding the seriousness of and any aggravating factors related to the offense that is the basis of the resolution seeking permanent exclusion;
f. Any mitigating circumstances surrounding the offense that gave rise to the request for permanent exclusion;
g. Evidence regarding the probable danger posed to the health and safety of other students or of school employees by the continued presence of the student in a public school setting;
h. Evidence regarding the probable disruption of the teaching of any school district’s graded course of study by the continued presence of the student in a public school setting;
i. Evidence regarding the availability of alternative sanctions of a less serious nature than permanent exclusion that would enable the student to remain in a public school setting without posing a significant danger to the health and safety of other students or of school employees and without posing a threat of the disruption of the teaching of any district’s graded course of study.

D. No student shall be expelled unless, prior to the student’s expulsion, the superintendent does both of the following:
   a. Gives the student and the student’s parent, guardian, or custodian written notice of the intention to expel the student;
   b. Provides the student and the student’s parent, guardian, custodian, or representative an opportunity to appear in person before the superintendent or the superintendent’s designee to challenge the reasons for the intended expulsion or otherwise to explain the student’s actions.
      i. The notice required in this division shall include the reasons for the intended expulsion, notification of the opportunity of the student and the student’s parent, guardian, custodian, or representative to appear before the superintendent or the superintendent’s designee to challenge the reasons for the intended expulsion or otherwise to explain the student’s action, and notification of the time and place to appear.
ii. The time to appear shall not be earlier than three nor later than five school days after the notice is given, unless the superintendent grants an extension of time at the request of the student or the student’s parent, guardian, custodian, or representative.

iii. If an extension is granted after giving the original notice, the superintendent shall notify the student and the student’s parent, guardian, custodian, or representative of the new time and place to appear. If the proposed expulsion is based on a violation listed in division (A) of section 3313.662 of the O.R.C. and if the student is sixteen years of age or older, the notice shall include a statement that the superintendent may seek to permanently exclude the student if the student is convicted of or adjudicated a delinquent child for that violation.

E. The superintendent shall initiate expulsion proceedings with respect to any student who has committed an act warranting expulsion under TCS @ ODU policy regarding expulsion even if the student has withdrawn from school for any reason after the incident that gives rise to the hearing but prior to the hearing or decision to impose the expulsion.

If, following the hearing, the student would have been expelled for a period of time had the student still been enrolled in the school, the expulsion shall be imposed for the same length of time as on a student who has not withdrawn from the school.

F. If a student’s presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place either within a classroom or elsewhere on the school premises, the superintendent or an Administrator may remove a student from curricular activities or from the school premises, and a teacher may remove a student from curricular activities under the teacher’s supervision, without the notice and hearing requirements set forth above.

a. As soon as practicable after making such a removal, the teacher shall submit in writing to an Administrator the reasons for such removal.

b. If a student is removed under this division from a curricular activity or from the school premises, written notice of the hearing and of the reason for the removal shall be given to the student as soon as practicable prior to the hearing, which shall be held within three school days from the time the initial removal is ordered.

c. The hearing shall be held in accordance with the above unless it is probable that the student may be subject to expulsion, in which case a hearing in accordance with division (B) of this section shall be held, except that the hearing shall be held within three school days of the initial removal.

d. The individual who ordered, caused, or requested the removal to be made shall be present at the hearing. If the superintendent or TCS @ ODU Administrators reinstate a student in a curricular activity under the teacher’s supervision prior to the hearing
following a removal under this division, the teacher, upon request, shall be given in writing the reasons for such reinstatement.

G. The superintendent or principal, within one school day after the time of a student’s expulsion or suspension, shall notify in writing the parent, guardian, or custodian of the student and the treasurer of the board of education of the expulsion or suspension.
   a. The notice shall include the reasons for the expulsion or suspension, notification of the right of the student or the student’s parent, guardian, or custodian to appeal the expulsion or suspension to the board or to its designee, to be represented in all appeal proceedings, to be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion, and to request that the hearing be held in executive session, notification that the expulsion may be subject to extension pursuant to division (F) of this section if the student is sixteen years of age or older, and notification that the superintendent may seek the student’s permanent exclusion if the suspension or expulsion was based on a violation listed in division (A) of section 3313.662 of the O.R.C. that was committed when the child was sixteen years of age or older and if the student is convicted of or adjudicated a delinquent child for that violation.
   b. In accordance with the policy adopted by the board of education under section 3313.661 of the O.R.C., the notice provided under this division shall specify the manner and date by which the student or the student’s parent, guardian, or custodian shall notify the board of the student’s, parent’s, guardian’s, or custodian’s intent to appeal the expulsion or suspension to the board or its designee.
   c. Any superintendent expelling a student under this section for more than twenty school days or for any period of time if the expulsion will extend into the following semester or school year shall, in the notice required under this division, provide the student and the student’s parent, guardian, or custodian with information about services or programs offered by public and private agencies that work toward improving those aspects of the student’s attitudes and behavior that contributed to the incident that gave rise to the student’s expulsion. The information shall include the names, addresses, and phone numbers of the appropriate public and private agencies.

H. A student or the student’s parent, guardian, or custodian may appeal the student’s expulsion by the superintendent or suspension by a Dean to the board or its designee.
   a. If the student or the student’s parent, guardian, or custodian intends to appeal the expulsion or suspension to the board or its designee, the student or the student’s parent, guardian, or custodian shall notify the board in the manner and by the date specified in the notice provided for above.
b. The student or the student’s parent, guardian, or custodian may be represented in all appeal proceedings and shall be granted a hearing before the board or its designee in order to be heard against the suspension or expulsion.

c. At the request of the student or of the student’s parent, guardian, custodian, or attorney, the board or its designee, may affirm the order of suspension or expulsion, reinstate the student, or otherwise reverse, vacate, or modify the order of suspension or expulsion.

d. The board or its designee shall make a verbatim record of hearings held under this division (E).

e. The decisions of the board or its designee may be appealed under Chapter 2506 of the O.R.C. This section shall not be construed to require notice and hearing in accordance with the above in the case of normal disciplinary procedures in which a student is removed from a curricular activity for a period of less than one school day and is not subject to suspension or expulsion.

I. If a student is expelled for committing any violation listed in division (A) of section 3313.662 of the O.R.C. and the student was sixteen years of age or older at the time of committing the violation, if a complaint, indictment, or information is filed alleging that the student is a delinquent child based upon the commission of the violation or the student is prosecuted as an adult for the commission of the violation, and if the resultant juvenile court or criminal proceeding is pending at the time that the expulsion terminates, the superintendent of schools that expelled the student may file a motion with the court in which the proceeding is pending requesting an order extending the expulsion for the lesser of an additional eighty days or the number of school days remaining in the school year.

a. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent and to the student and the student’s parent, guardian, or custodian.

b. At the hearing, the court shall determine whether there is reasonable cause to believe that the student committed the alleged violation that is the basis of the expulsion and, upon determining that reasonable cause to believe the student committed the violation does exist, shall grant the required extension.

c. If a student has been convicted of or adjudicated a delinquent child for a violation listed in division (A) of section 3313.662 of the O.R.C. for an act that was committed when the child was sixteen years of age or older, if the student has been expelled pursuant to division (B) of this section for that violation, and if the board of education of the school district of the school from which the student was expelled has adopted a resolution seeking the student’s permanent exclusion, the superintendent may file a motion with the court that convicted the student or adjudicated the student a delinquent child requesting an order to extend the expulsion until an adjudication order or other determination regarding permanent exclusion is issued by the superintendent of public
instruction pursuant to section 3301.121 and division (D) of section 3313.662 of the Revised Code.

d. Upon the filing of the motion, the court immediately shall schedule a hearing and give written notice of the time, date, and location of the hearing to the superintendent of the school district, the student, and the student’s parent, guardian, or custodian. At the hearing, the court shall determine whether there is reasonable cause to believe the student’s continued attendance in the public school system may endanger the health and safety of other students or school employees and, upon making that determination, shall grant the requested extension.

J. The failure of the superintendent or the board of education to provide the information regarding the possibility of permanent exclusion in the notice required above is not jurisdictional, and the failure shall not affect the validity of any suspension or expulsion procedure that is conducted in accordance with this section or the validity of a permanent exclusion procedure that is conducted in accordance with sections 3301.121 and 3313.662 of the O.R.C.

K. With regard to suspensions and expulsions provided for above, the above shall apply to any student, whether or not the student is enrolled in the district, attending or otherwise participating in any curricular program provided in a school operated by the board or provided on any other property owned or controlled by the board.

L. Whenever a student is expelled under this section, the expulsion shall result in removal of the student from the student’s regular school setting. However, during the period of the expulsion, the board of education of the school district that expelled the student or any board of education admitting the student during that expulsion period may provide educational services to the student in an alternative setting.

M. (1) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the O.R.C, The Charles School, after offering an opportunity for a hearing, may temporarily deny admission to any student if one of the following applies:

(a) The student has been suspended from the schools of another district and the period of suspension has not expired;

(b) The student has been expelled from the schools of another district and the period of the expulsion has not expired. If a student is temporarily denied admission, the student shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the O.R.C. no later than upon expiration of the suspension or expulsion period, as applicable.

(2) Notwithstanding sections 3109.51 to 3109.80, 3313.64, and 3313.65 of the O.R.C., The Charles School, after offering an opportunity for a hearing, may temporarily deny admittance to any student if the student has been expelled or otherwise removed for disciplinary purposes from a public school in another state and the period of expulsion or
removal has not expired. If a student is temporarily denied admission, the student shall be admitted to school in accordance with sections 3109.51 to 3109.80, 3313.64, or 3313.65 of the O.R.C. no later than the earlier of the following:
   (a) Upon expiration of the expulsion or removal period imposed by the out-of-state school;
   (b) Upon expiration of a period established by the district, beginning with the date of expulsion or removal from the out-of-state school, that is no greater than the period of expulsion that the student would have received under the policy adopted by the district under section 3313.661 of the O.R.C. had the offense that gave rise to the expulsion or removal by the out-of-state school been committed while the student was enrolled in the district.

Permanent Exclusion
Pursuant to Section 3313.662 of the Ohio Revised Code
(A) The superintendent of public instruction, pursuant to section 3313.662 and the adjudication procedures of section 3301.121 of the O.R.C., may issue an adjudication order that permanently excludes a student from attending any of the public schools of this state if the student is convicted of, or adjudicated a delinquent child for, committing, when the student was sixteen years of age or older, an act that would be a criminal offense if committed by an adult and if the act is any of the following:

(1) A violation of section 2923.122 of the O.R.C.;

(2) A violation of section 2923.12 of the O.R.C., of a substantially similar municipal ordinance, or of section 2925.03 of the Revised Code that was committed on property owned or controlled by, or at an activity held under the auspices of the board;

(3) A violation of section 2925.11 of the O.R.C., other than a violation of that section that would be a minor drug possession offense, that was committed on property owned or controlled by, or at an activity held under the auspices of the board;
(4) A violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2907.02, or 2907.05 or of former section 2907.12 of the O.R.C. that was committed on property owned or controlled by, or at an activity held under the auspices of the board, if the victim at the time of the commission of the act was an employee of the board;

(5) Complicity in any violation described in division (A)(1), (2), (3), or (4) of this section that was alleged to have been committed in the manner described in division (A)(1), (2), (3), or (4) of this section, regardless of whether the act of complicity was committed on property owned or controlled by, or at an activity held under the auspices of the board.
(B) A student may be suspended or expelled in accordance with section 3313.66 of the O.R.C. prior to being permanently excluded from public school attendance under this section and section 3301.121 of the O.R.C..

(C)(1) If the superintendent obtains or receives proof that the student has been convicted of committing when the student was sixteen years of age or older a violation listed above or adjudicated a delinquent child for the commission when the student was sixteen years of age or older of a violation listed above, the superintendent may issue to the board a request that the student be permanently excluded from public school attendance, if both of the following apply:

(a) After obtaining or receiving proof of the conviction or adjudication, the superintendent or the superintendent’s designee determines that the student’s continued attendance in school may endanger the health and safety of other students or school employees and gives the student and the student’s parent, guardian, or custodian written notice that the superintendent intends to recommend to the board that the board adopt a resolution requesting the superintendent of public instruction to permanently exclude the student from public school attendance.

(b) The superintendent or the superintendent’s designee forwards to the board the superintendent’s written recommendation that includes the determinations the superintendent or designee made and a copy of the proof the superintendent received showing that the student has been convicted of or adjudicated a delinquent child from a violation listed above that was committed when the student was sixteen years of age or older.

(2) Within fourteen days after receipt of a recommendation from the superintendent a student be permanently excluded from public school attendance, the board, after review and consideration of all of the following available information, may adopt a resolution requesting the superintendent of public instruction to permanently exclude the student who is the subject of the recommendation from public school attendance:

(a) The academic record of the student and a record of any extracurricular activities in which the student previously was involved;

(b) The disciplinary record of the student and any available records of the student’s prior behavioral problems other than the behavioral problems contained in the disciplinary record;

(c) The social history of the student;

(d) The student’s response to the imposition of prior discipline and sanctions imposed for behavioral problems;

(e) Evidence regarding the seriousness of and any aggravating factors related to the offense that is the basis of the resolution seeking permanent exclusion;

(f) Any mitigating circumstances surrounding the offense that gave rise to the request for permanent exclusion;

(g) Evidence regarding the probable danger posed to the health and safety of other students or of school employees by the continued presence of the student in a public school setting;
(h) Evidence regarding the probable disruption of the teaching of any school district’s graded course of study by the continued presence of the student in a public school setting;

(i) Evidence regarding the availability of alternative sanctions of a less serious nature than permanent exclusion that would enable the student to remain in a public school setting without posing a significant danger to the health and safety of other students or of school employees and without posing a threat of the disruption of the teaching of any district’s graded course of study.

Community Service

Notwithstanding the foregoing, and except for an expulsion imposed pursuant to paragraph (B)(1)(a) above, the superintendent may require a student to perform community service in conjunction with a suspension or expulsion except for an expulsion and may impose a community service requirement beyond the end of the school year in lieu of applying the suspension or expulsion into the following year.

Policy on Gender Identity and Expression

TCS@ODU believes that every student is an important part of our learning community and should be made to feel welcome and supported at school, regardless of their gender identity or gender expression. We are committed to ensuring that every student has equal educational opportunities and equal access to the school’s programs and activities. This policy exists to foster an educational environment that is safe and free from discrimination for all students, regardless of sex, sexual orientation, gender identity, or gender expression. This policy should be interpreted consistent with the goals of reducing the stigmatization of and improving the educational integration of transgender and gender nonconforming students, maintaining the privacy of all students, and fostering cultural competence and professional development for school staff. Furthermore, this policy will support healthy communication between educators and parents/guardians to further the successful educational development and well-being of every student. This policy does not and cannot anticipate every situation that might occur with respect to a student’s gender identity or gender expression. In all situations, the needs of the student must be assessed by TCS@ODU staff on a case-by-case basis with the goal of ensuring the student’s safety, comfort, privacy and healthy development.

Definitions

These definitions are included to assist with the application of this policy and to provide functional descriptors. They are provided not for the purpose of labeling students but rather to assist in understanding this policy. Students may or may not use these terms to describe themselves.

Gender Identity: A person’s deeply held sense or psychological knowledge of their own gender. One’s gender identity can be the same or different than the gender assigned at birth. All people have a gender identity, not just transgender people.

Gender Expression: The manner in which a person represents or expresses gender to others, often through behavior, clothing, hairstyles, activities, voice or mannerisms.
Transgender: An adjective describing a person whose gender identity or expression is different from that traditionally associated with an assigned sex at birth. Other terms that can have similar meanings are transsexual and trans.

Transition: The process in which a person goes from living and identifying as one gender to living and identifying as another.

Gender Nonconforming: A term for people whose gender expression differs from stereotypical expectations, such as “feminine” boys, “masculine” girls, and those who are perceived as androgynous. This includes people who identify outside traditional gender categories or identify as both genders.

**Determining Gender Identity**
At the secondary level, responsibility for determining a student’s gender identity rests with the student. TCS@ODU staff will accept a student’s asserted gender identity when it is a sincerely held part of the student’s core identity. Staff will not disregard the student’s assertion of their gender identity unless they have a credible basis for believing that the student is asserting a particular gender identity for an improper purpose. There is no medical or mental health diagnosis or treatment requirement that any student must meet in order to have their own gender identity recognized and respected by TCS@ODU staff. A student is not required to have obtained a court-ordered name or gender change in order to have their requested name and gender identity recognized and respected by TCS@ODU staff.

**Privacy**
Members of TCS@ODU staff should not disclose a student’s transgender status to others, including other students, parents and/or other staff members, unless they are legally required to, or the student has authorized such disclosure, or unless disclosure is deemed by the staff member to be necessary to protect the student’s interests or safety. In circumstances where disclosure is deemed to be necessary, before making any disclosure, staff members should make reasonable efforts to inform the student of the decision and provide them with the opportunity and resources they may need to make the disclosure themselves.

Some transgender or gender nonconforming students may have not disclosed their status to their parents or guardians. Whenever possible, staff members should speak with the student to confirm the manner in which the student will be referred to in conversation with their parent or guardian. Generally, when contacting the parent or guardian of a transgender student, staff members should use the student’s legal name and the gender pronoun that corresponds to their gender assigned at birth, unless the student, parent or guardian has specified otherwise.

All students, including transgender and gender nonconforming students, have the right to openly discuss and express their gender identity and to decide when, with whom, and how much to share that private information. In sharing this information, a student does not give up the right to
privacy and at no time may TCS@ODU staff use a student’s self-disclosure as grounds for sharing information about the student’s gender identity without the student’s permission.

In some cases, transgender and gender nonconforming students may feel more supported and safe if other students are aware of their status. In these cases, staff should work closely with the student, other supporting adults and additional staff members on a plan to inform and educate the student’s peers. It may also be appropriate to engage external resources to assist with educational efforts.

**Official Records**

TCS@ODU is required to maintain a permanent pupil record of each student, which includes the student’s legal name and gender assigned at birth. A student’s permanent pupil record should be changed to reflect a change in legal name or gender only upon receipt of documentation that such legal name and/or gender has been changed pursuant to applicable law.

Where TCS@ODU is not legally required to use a student’s legal name or gender assigned at birth on school records and other documents, the school will make every effort to use the name, gender marker and gender pronoun preferred by the student.

In situations where staff are required by law to use or report a transgender student’s legal name or gender, such as for purposes of standardized testing, staff shall adopt practices to avoid the inadvertent disclosure of confidential information.

**Names & Pronouns**

Staff members shall honor and fully comply with requests of students or their parent/guardian to have the student addressed by a name and pronoun different from those associated with the student’s gender assigned at birth. Proof of a court-ordered name or gender change is not required.

Pursuant to the student’s discretion, a student’s preferred name, gender marker and gender pronoun should be used to the greatest extent possible on all school-related records and documents where the use of the student’s legal name or gender is not required by state or federal law.

It is anticipated that inadvertent slips or honest mistakes in the use of names or pronouns may occur. However, intentional or persistent refusals by staff or students to respect a student’s gender identity by using the wrong name or pronoun is a violation of this policy.

**Restrooms**

Students shall have access to the restroom that corresponds to their gender identity. A student shall not be required to use gender-segregated facilities that are inconsistent with their gender identity. TCS@ODU will maintain at least one single-use, all-gender restroom whenever possible.

**Athletics**
Students shall be permitted to participate in intramural athletics in a manner consistent with their gender identity.

**Gender Segregated Activities**
In circumstances where students are separated by gender in a school program, activity or contest not described above, students shall be permitted to participate in a manner consistent with their gender identity as long as any additional criteria for participation are also met. A student shall not, however, be required to use gender-segregated facilities that are inconsistent with their gender identity.

**Dress Code**
School dress code policies and guidelines are gender-neutral and will not be interpreted or applied in a restrictive manner.

Adapted from GLSEN’s Model District Policy on Transgender and Gender Nonconforming Students

**Policy on Wellness and Nutrition**
TCS @ ODU promotes and encourages students to make healthy food choices and doesn’t allow advertising that promotes less nutritious food choices. Food served at TCS meets or exceeds nutrition requirements established by local, state and federal regulations.

TCS encourages parents to provide a variety of nutritious foods if students bring meals or snacks from home. Snack and other a-la-carte food sales are limited to areas of the school separate from the lunchroom. Snack sales are not in direct competition with the school lunch program. If foods are sold in competition with school meals, they will include healthy food choices offered at prices children can afford. Foods and beverages served at school-sponsored parties, celebrations and social events will follow the school nutritional standards.

Drinking fountains are available for students to get water at meals and throughout the day. TCS considers students’ needs in planning for a healthy school nutritional environment.

The opportunity for a free or reduced meal plan is available to every student who qualifies. We use an accounting system that protects the identity of students who eat free or reduced-priced meals. Information about other food sources such as WIC, Food Stamp Program and Second Harvest is available for parents through contact with an Administrator.

**Wellness and Nutrition as a Part of Our Curriculum**
Administrators support the development of healthy lifestyles for students, and establish and enforce policies that improve the school’s nutritional environment. They address issues such as the kinds of foods available on the school campus; mealtime schedules; dining space and atmosphere; nutrition education; and physical activity. The school encourages socializing among students and between students and adults. Adults properly supervise dining rooms and serve as
role models to students. We provide a clean and attractive environment with access to and education about hand washing and other sanitation methods.

Health/nutrition education is offered as part of a health and wellness class required of all students prior to graduation. The health class meets Federal standards for health education and provides students with knowledge and skills necessary to make positive life choices.

Policy on Attendance, Absence, and Tardiness

Attendance: Students who are absent from any class session, seminar, or special programming more than 10 days in a year, regardless of whether the absences were excused, risk not earning credit in that class. Further, a student who is tardy 20 or more times to school either at the beginning of the day or any class period throughout the school day, risks not earning credit in one or more classes for the semester. This policy applies to every aspect of TCS course of study.

The law of the State of Ohio recognizes six reasons for absence from school:

1. A personal illness or injury
2. A family illness
3. The quarantine of the home
4. The death of a relative
5. A religious holiday- these absences must:
   a. be arranged in advance and
   b. be approved by TCS @ ODU Administrators
6. Emergencies- these must be considered by TCS @ ODU Administrators to be a good and sufficient cause for the absence from school.

When a student has been referred and accepted for personal or family counseling, the school Administrators may make exceptions to the above list. Additionally, court appearances and/or incarceration in a detention facility may be considered as exceptions to the state recognized, acceptable absence reasons. Other matters should be addressed with the school’s Administrators.

Absence: Whenever a student is absent from school, the parents/guardians should contact the school by 8:00 am or as soon as possible.

a. If a student is absent from school or any school-required function, TCS @ ODU will attempt to contact the student’s family to verify the absence
b. To be excused, all absences require written documentation that has been signed by parent/guardian and submitted within 2 school days of the absence.
c. To be an official absence, a doctor’s note, funeral program, or other signed documentation deemed appropriate by TCS @ ODU Administrators is required.
d. All written absences are kept on file.

If a student anticipates an extended absence, the student must notify TCS @ ODU Administrators. A written note signed by the parent/guardian indicating the dates the student will be absent is required. Pre-arranged absences must be approved by TCS @ ODU Administrators.

Extended Absence: If a student is absent for an extended period of time, such as for a prolonged illness, an automatic extension will be granted that student.
a. For each week the student is on an extended absence, he or she will have an extension of one week from the time he or she returns to submit any work that was required for his or her courses during the absence.
b. The maximum time to complete missing work is four weeks, even in the case that the extended absence was in excess of four weeks.
c. Extensions will not be granted for longer than two weeks beyond a quarterly progress report or the conclusion of a course.
d. In the event that the extension overlaps a quarterly progress report, that student’s grade will be reported as incomplete for any courses in which the missing work has not been submitted.

**Tardiness:** School begins promptly at 8:00 a.m. A student who arrives to class after 8:00 a.m. is considered tardy.

a. Tardiness to individual classes during the school day will result in an appropriate disciplinary action by the teacher involved.
b. Continued tardiness is considered equivalent to class truancy and may result in academic and disciplinary consequences.
c. The following is the protocol of procedures for consequences regarding tardiness:
   i. Tardiness is tracked within our school information system on a daily basis.
   ii. Students receive a lunch detention after the third tardy within a day or three in a week for a specific class. Parents are able to see lunch detentions assigned and served via HeroK12.
   iii. If students continually earn lunch detentions for tardiness, their family will be contacted by a Dean.
   iv. At Dean’s discretion, families will be asked to participate in a meeting if the students’ tardiness does not improve over a quarter (or equivalent timing).
   v. Out-of-school suspensions or expulsion may be assigned by the Dean shoulder they determine. It is the hope and plan of the school to keep students in school as much as is possible, however.

**TGFS Policy on Absenteeism and Truancy**

**Positive School Climate**

The Graham Family of Schools (TGFS) aims to help all students grow in their academic and social-emotional learning, ongoing. All efforts are focused on preparing students to be successful in achieving this mission as they work toward full readiness for the next grade level and ultimately college and careers. Our aim is to continuously advance students’ skills and demonstration of critical analysis and problem solving, collaborative team work, thoughtful reflection on experiences, sharing in responsibility for academic success, and creating a safe learning community for all.
In order to achieve this mission at our schools, TGFS will:

- Maintain and promote a growth-mindset toward all students and staff such that everyone has an expectation to grow in their intelligence, and display of it;
- Foster in students a commitment to self-direction about their own learning and to the school and wider community in which they live;
- Teach at all grade levels with sensitivity to brain development in children, including course and class lessons that focus on human brain development and its relation to learning and grow in their academic learning and social-emotional development;
- Utilize the community outside the school doors as a resource to advance experiential learning for our students;
- Treat all students and staff with compassion, honesty, and respect;
- View academic achievement as a reflection of both student and teacher jointly teaming for success;
- Create, state, and display norms for how people are expected to act at school regarding academic work and behavioral interactions;
- Design an operational strategy at each TGFS school for advancing our work in academic achievement, social and emotional learning, grade advancement, and college and career readiness.

As part of this mission, TGFS abides by Ohio House Bill 410 which outlines our interventions and plans for students missing too much school.

**Attendance Policy Overview**

Ohio House Bill 410 encourages and supports a preventative approach to excessive absences and truancy. Beginning with the 2017-18 school year, TGFS has adopted an attendance policy that outlines our interventions for students missing too much school.

Regular school attendance is an important ingredient in students’ academic success. Excessive absences interfere with students’ progress in mastering knowledge and skills necessary to graduate high school or be prepared for higher education or the workforce. To support academic success for all students, TGFS will partner with students and families to identify and reduce barriers to regular school attendance.

TGFS utilizes a continuum of strategies to reduce student absence including, but not limited to:

- Notification of student absence to the parent or guardian;
- Development and implementation of an absence intervention plan, which may include supportive services for students and families;
- Counseling;
- Parent education and parenting programs;
- Mediation;
- Intervention programs available through juvenile authorities; and
• Referral for truancy, if applicable.

Chronic Absenteeism
Chronic absenteeism is defined by the Every Student Succeeds Act as missing 10 percent or more (~18 days, or 92 hours) of the school year for any reason. It includes excused and unexcused absences. This includes “excessive absences” in which a student is absent 38 or more hours in one school month with or without a legitimate excuse or absent 65 or more hours in one school year with or without a legitimate excuse. TGFS will work with our community partners to help any chronically absent students get to school every day. Early intervention can keep chronic absenteeism from becoming truancy.

Habitual Truancy
Habitual truancy is reflected by any student of compulsory school age who is absent without legitimate excuse from his or her public school for 30 or more consecutive hours, 42 or more hours in one school month or 72 or more hours in a school year. Truancy counts only absences without a legitimate excuse. When a student is habitually truant, the law requires the school to follow several administrative procedures and legal solutions to make sure the student attends school regularly.

Legitimate Absences
Every student should be in school every day. Even if an absence is excused, it still results in loss of important instruction time for the student. TGFS requests documentation of a legitimate excuse for any absence. Any absence without appropriate documentation is considered unexcused. Documentation must be received within 7 days of the student’s absence date. If not received within 7 days, then the absence(s) is considered unexcused.

Ohio Revised Code Section 3321.04 and Ohio Administrative Code 3301-69-02 set forth situations in which an absence can be excused:

1. A personal illness or injury (medical note required from physician/hospital).
2. A family illness (medical note required from physician/hospital)
3. The quarantine of the home (note required from state agency)
4. The death of a relative
5. A religious holiday (Absences must be arranged in advance and be approved by a Dean)
6. Emergencies (Absences to be considered by a Dean as good and sufficient cause for the absence from school)

Attendance Intervention Team
The purpose of the attendance intervention team is to establish a student-centered attendance intervention plan for every student who is habitually truant by identifying specific barriers and solutions to attendance.

The attendance intervention team is cross-sector and includes the participation of the student and the parent or guardian or parent appointed designee. If a parent or guardian or parent appointed designee is non-responsive to the attendance intervention team’s outreach, then
the attendance intervention team will assess if the non-response requires a mandated referral to the child protective services agency.

When a student is habitually truant, the following will occur:

1) Within seven (7) days of the triggering absence, TGFS will do the following:
   a) Select members of the attendance intervention team;
   b) Make three (3) meaningful attempts to secure the participation of the student’s parent or guardian or appointed designee on the attendance intervention team.
2) Within ten (10) days of the triggering absence, the student will be assigned to the selected attendance intervention team;
3) Within fourteen (14) days after the assignment to the team, TGFS will develop the students attendance intervention plan and send a copy of the attendance intervention plan to the parent or legal guardian;
4) If the student does not make progress on the plan within sixty-one (61) days or continues to be excessively absent, TGF will file a complaint in the juvenile court.
5) When a student is identified as having excessive absences and/or being habitually truant, TGFS will inform the student’s parent or guardian that the student has been placed on the attendance intervention team make three meaningful attempts to secure the participation of the student’s parent or legal guardian or parent appointed designee on the attendance intervention team.

Zero Tolerance
TGFS has a zero-tolerance policy for violent, disruptive or inappropriate behavior by students per Ohio Revised Code 3313.534. TGFS has removed “excessive absences” from its zero tolerance policies. TGFS will not suspend or expel students for being absent to school. Any violent, disruptive, and inappropriate behaviors, including excessive absenteeism, will be addressed with preventative strategies and alternative to suspension or expulsion.

Suspension
TGFS will not suspend (out of school) or expel students for truancy. TGFS will be proactive in working with families and community organizations to break down barriers that prevent students from attendance school. TGFS will not require a student to complete a suspension at the beginning of the next school year if the student’s suspension is longer than the remainder of the school year. However, TGFS may require the student to complete community service or an alternative engagement activity during the summer.

Automatic Withdrawal
A student will be automatically withdrawn from TGFS if they have missed, without a legitimate excuse, 72 consecutive hours.

Absence Notifications
School begins promptly. Students who are not with their teacher when the first bell rings is considered unexcused without a legitimate excuse. A student who is unexcused must be signed in
at the front office by a parent and/or legal guardian along with appropriate documentation for the student’s absence. TGFS expects all students to be in their appropriate class when the bell rings, and prepared for instruction. The family of the student should contact the school by 8:00am with advance notice of their student’s pending absence on a given day. Attendance is an extremely high priority at TGFS and Ohio law. **TGFS has an overall attendance rate goal of 96% for the school year!**

**Lunch**

- Students are NOT permitted to leave TCS grounds during lunch.
- Students are NOT permitted to pay Early College students to purchase lunch from outside the building when they are going to or from TCS.
- On class days, lunch will be held during fifth through seventh periods.
- On some days, a special arrangement will be made for lunch, as in the case of a field experience.
- Lunch is to be eaten in the gymnasium.
- Students that are not in the Early College Program are not permitted in the College Readiness Center (CRC) at any time during school hours.

**Behavior Expectations and Procedures**

Students are expected to act with integrity and appropriateness at The Charles School, at Ohio Dominican University, and when learning in the community. Students who have the most success behaviorally in our school are the ones who are self-directed, are motivated to do well, and who use the available resources for help.

A student’s teacher will initially address most behavior concerns. The teacher will use the following protocol for procedures for behavioral expectations:

1. 1st violation; student will receive a 1-on-1 conversation.
2. 2nd violation; teacher will contact student’s home by phone or e-mail
3. 3rd violation; a Dean will meet with the student
4. 4th violation; a Dean will hold a meeting with the student, parent/guardian, teacher, and other adult supports/resources in the student’s life
5. 5th or more violation; student will participate in a meeting with the student’s family which will be held with a Dean; out-of-school suspensions or expulsion may be assigned by the Dean.

If a staff member or administrator deems a violation severe and/or as a blatant disregard for the Code of Conduct, this protocol for procedures may be bypassed, and an immediate consequence from an administrator will be issued as a result.

While out-of-school suspensions stay on a student’s permanent record, the protocol for procedures of consequences resets at the change of a semester.
Guidelines for Student Events

Dances, fun nights, end of the year field trips, and other similar events must be staff-approved at least one month prior to scheduled event. The school calendar and TCS @ ODU Administrators must be consulted when scheduling an event. Once a date is established, a form must be completed listing all staff members, with their signatures, who will assume responsibility for the event. Below are the listed guidelines regarding dances and other student events.

Dances

The following guidelines are used regarding the preparations and procedures for dances at the school, ODU campus, or an outside venue:

➢ A dance can be scheduled from 7pm to 10pm, with students picked up no later than 10:30pm, or from 8pm to 11pm, with students picked up no later than 11:30pm.
➢ Attendees leaving the dance will not be permitted to return.
➢ The building will be locked except the back lobby door. A student and a staff member will staff that door at all times. Students must sign in upon coming into the building.
➢ Charles School students may be accompanied by attendees from outside the school, provided they bring a maximum of one guest. Invited guests must be a high school student and they must be approved by TCS @ ODU Administrators. This policy applies only to “open” events. For other events, Charles School students may not be accompanied.
➢ The organizers must provide for a security officer if one is deemed needed.
➢ The names of three staff and parents who will be there all evening must be provided to TCS @ ODU Administrators at least 10 days prior to the dance.
➢ Students and guests must follow school policy at all times.
➢ Students who received an OSS may not attend the dance for that semester.

Proposals to Student Government regarding dances must include:

➢ Provisions for music decisions.
➢ Provisions for preparation and clean-up.

If inappropriate dancing or other behavior occurs, students may be asked to leave the school grounds and could lose their privileges to attend future dances.

Visitors Policy

Parents, guardians and other community members are encouraged to visit TCS @ ODU. Visitors must report first to the front desk to sign in and receive a visitor’s badge. Parents/guardians may visit classrooms as long as they do not interrupt or interfere with the progress of the class. Parents/guardians who wish to confer with a staff member must schedule an appointment.

Faculty members are available to meet with parents/guardians during conference periods, professional workdays, and subject to individual staff schedules, before and after school.
Right of Return

Students who voluntarily or involuntarily leave TCS @ ODU for a period of time up to a semester, will be allowed to return when conditions have changed without being subject to a state-required admission lottery or waiting list.

Administration of Medicine by School Personnel

It is the policy of The Charles School that all student medication, both prescription and over-the-counter, should be administered at home. Under exceptional circumstances and subject to a written agreement between a parent/guardian and the administration of TCS, a student's medication may be administered during the school day. Interested parents/guardians should contact the school nurse.

Fire Alarms and Drills

Fire drills are held at regular intervals during the year. Directions are posted in each classroom, and the gym. When an alarm sounds, all members of the learning community should follow the posted directions and listen for and follow the instructions from the staff.

Tornado Warnings

Tornado Warning drills are conducted during the year. Instructions are posted in each room and when a Tornado Warning drill is announced, students should proceed quickly and quietly to the area designated on the instructions in the room.

Snow/Inclement Weather Days

The Charles School follows Columbus City Schools with respect to snow and inclement weather days. A decision by the Columbus City Schools to suspend classes on a given day due to inclement weather would mean that TCS @ ODU would also suspend classes on that day. The school will make up those missing days by the administrators decision. Any other calamity days outside of those called by Columbus Public Schools will be made at the discretion of TCS @ ODU Administrators. If there is some question as to whether the school is closed, please contact the office at 614-258-8588, consult the website. In addition, local tv news can be consulted.

Emergency Procedures

The Charles School at Ohio Dominican University considers the safety of all of its students and staff extremely important and a high priority of our work. In case of emergencies, families will be contacted in multiple methods: letters home, our texting communication service – Instant
Connect, e-mails, website posts, and/or from an off-campus phone location at The Graham School (614.262.1111).

In the case that the school needs to relocate the staff and students for any reason, we will be relocating to Brentnell Community Recreation Center (1280 Brentnell Ave. Columbus, Ohio 43219) and The Church of Christ of Apostolic Faith (1200 Brentnell Ave, Columbus, Ohio). Arrangements for student pick-up will be communicated through the same methods listed above.

Complaints and Appeals

Students, parents and guardians who wish to formally file a complaint with TCS @ ODU, its staff, administration or The Board of Education are advised to contact the Administrative Office of TCS to obtain procedural guidelines that will assist in the preparation and filing of a formal complaint. Any party interested in filing a formal appeal of a staff, administrative or board decision can also contact the administrative office to obtain procedural guidelines that will assist in the preparation and filing of a formal appeal.

Additional Questions, Comments and Concerns

Our goal in preparing this handbook was to efficiently and effectively describe Charles’s expectations, environment, policies, procedures and objectives. If additional questions, comments and concerns arise, please direct them to the Administrators of TCS.

The Charles School at Ohio Dominican University
Member of the Graham Family of Schools | This institution is an equal opportunity provider
The board of education of each city, exempted village, and local school district shall by resolution adopt a procedure for notifying the parent, guardian, or custodian of each student enrolled in a high school operated by the district or enrolled in a school operated by the joint vocational school district to which the city, exempted village, or local district belongs of the requirements prescribed in division (C) of section 3313.603 of the Revised Code and that one consequence of not completing that curriculum is ineligibility to enroll in most state universities in Ohio without further coursework.

**Grit:**
Perseverance and passion for long-term goals.

**Courage:**
The willingness to take healthy risks academically, socially, and personally.

**Integrity:**

APPENDIX C - Work Release Application

Instructions: Please fill this application out completely in ink. Incomplete applications will not be considered.

Name: ____________________________________   Semester Work Release is Requested:   Fall   Spring

Date of Birth: ______________   Age on first day of semester: _______   Work Permit Required if under 18

Description:
When a student takes full advantage of the programs offered at TCS@ODU, either progressing through the gateways at ODU through the 5th year or by testing into credit-bearing CSCC courses, his or her schedule will be full-time for all semesters through the student’s expected graduation date. However, because of the individual nature of a student’s progression, it is possible that a student may not have a full course load due to course availability or student eligibility. Because the administration of TCS@ODU recognizes the unique and sometimes challenging aspects of the commitment to early college programs, and because we want to ensure every student has a valuable educational experience, we have developed an application process for students who are interested in work release. **Full time is defined as being enrolled in five high school classes plus Crew, or a combination of four high school and college classes plus Crew.**

Eligibility:
A student must meet all criteria. Meeting one or two is not sufficient for your request to be considered. The criteria for early graduation include:

- Student must have met or be registered for all ODE and TCS@ODU graduation requirements
  - ODE CORE curriculum
  - TCS@ODU requirements, including but not limited to global language requirements
  - AIR testing (both in individual subject areas and a total of 18 points)
  - Taken either the ACT, the SAT, or the ASVAB
- Student must be enrolled in and take the number of courses for which he or she is eligible. If a student is eligible for fewer than four college courses, he or she may apply for work release. A student cannot choose to enroll in fewer courses than the number for which he or she is eligible in order to participate in work release.

- Student must have, or be actively seeking employment, an internship, or community service opportunities
  - The work need not be paid (unpaid internships, volunteering), but students can be paid (regular, part-time employment).
  - Students who are employed must provide proof of employment every semester for which they are seeking work release (e.g. paystubs).
  - Students who are not employed must provide proof of at least one of the following:
- Proof of internship (e.g. a letter from the organization)
- Proof of community service (e.g. a time sheet documenting hours volunteered)
- Evidence of active job search (e.g. completed resume, copies of job applications, documentation of interviews)

- If the student is a minor, he or she MUST obtain a work permit from the front office
- The Application for Work Release must be completed every semester.
- As part of the application, students **must** include the section of the application for consent of parent/guardian signed and dated.
- TCS@ODU is not responsible for providing transportation to and from internship or employment for students who choose to participate in work release.
- Students who choose to participate in work release may not spend all of their work-release time in the TCS building. Work release is not simply free time or a study hall.

These requirements vary slightly from ODE’s general graduation requirements for the State of Ohio, but are part of TCS@ODU’s college preparatory curriculum, and are required.

The honors diploma is a distinction made by the State of Ohio, with the criteria set by the State. TCS does not make decisions about who receives an honors diploma, however; students who meet ODE’s Honors Diploma requirements meet or exceed the TCS graduation requirements in all content areas. Students must meet 7 of the starred 8 criteria (*).
Parent/Guardian Consent:
Parents and guardians intentionally enroll students at TCS@ODU to help their students develop knowledge and skills and, in many cases, earn college credits free of charge. TCS@ODU offers substantial coursework through high school courses, Early College Programs, and College Credit Plus for a student to be enrolled in at least four classes each term. However, TCS@ODU also recognizes that our students complete courses at a variety of paces. In order to meet full-time enrollment, students are sometimes required to enroll in courses that are graduation requirements (electives), and that students or parents may not wish for the student to enroll in these courses. Work release is an opportunity to offer students and families flexibility to use student time in the way the family considers wisest.

We are partners in your student’s education, and seek to do what is best for them. By signing below, you acknowledge that you have read through this application, discussed it with your student, and agree that work release is appropriate for your student. You acknowledge that submission of this application demonstrates your family’s commitment to helping your student obtain part-time employment, an internship, or community service, and that it is not TCS@ODU’s responsibility to help your student pursue employment, internships or community service as part of work release. You also acknowledge that work release cannot guarantee passage of any enrolled courses, and that graduation may be delayed if enrolled courses are not passed.

Please provide a current daytime phone number so that we may follow-up with you if necessary.

APPENDIX D – ANTI-DISCRIMINATION, ANTI-HARASSMENT AND ANTI-BULLYING POLICY
Amended & approved by The Charles School Board 2/5/18

GENERAL STATEMENT OF THE POLICY
The Charles School is committed to providing students with a safe, secure and supportive classroom and school environment, conducive to academic learning, experiential learning, and the development of healthy human relationships. It is the policy of the School to maintain a safe and supportive learning and working environment that is free from all forms of discrimination and harassment, including bullying, and physical or emotional harm. This policy specifically includes discrimination, harassment, or bullying related, but not limited to, race, color, national origin, gender, gender identity, handicap, age, sexual orientation, religion or limited English skills. It also includes acts that may not relate to any particular characteristic. No student of the school shall be subjected to discrimination, harassment or bullying. No school personnel of the school shall be subjected to discrimination or harassment. This policy applies to conduct during or relating to school or school-sponsored activities, on or off school property, on any Columbus City School bus or any bus utilized on behalf of the school’s academic or experiential program and to conduct that occurs away from school that has the effect of interfering with a safe and secure school environment conducive to academic learning, experiential learning, and/or the development of healthy human relationships. This policy does not preclude the application of any provisions of State law that apply to student and teacher behavior; nor does this policy apply to speech that is otherwise protected under the state or federal constitution.

1. Within his/her area of supervision, each administrator is responsible for promoting understanding, acceptance, and assuring compliance with State and Federal laws, Board policy, and procedures governing discrimination, harassment and/or bullying.
2. The School acts to investigate all complaints, either formal or informal, verbal or non-verbal, of discrimination, harassment and/or bullying; and to discipline or take appropriate action against any student, teacher, administrator, other school personnel, or those whose actions have the effect of interfering with a safe and secure school environment.
3. Under the School policy, any student or staff member may bring a complaint against any member of the school community, a customer, vendor or contractor believed to have violated the policy.
4. The School will discipline or take appropriate action against any student, teacher, administrator or other school personnel who retaliates against (or attempts to retaliate against) any person who reports alleged discrimination, harassment, bullying, or violence; files a complaint of harassment, testifies, assists or participates in any investigation, hearing or proceeding related to such discrimination, harassment, bullying or violence. Retaliation includes, but is not limited to, any form of threat, intimidation, reprisal or discrimination.
Notice and Training
Notice of this policy will be circulated to all departments of the School and incorporated in staff and student handbooks and be available in the school office. All school staff, including any others who, at the school request have responsibility for students, will be provided yearly training to recognize and respond to discrimination, harassment, and/or bullying incidents.

Procedures
Any person who alleges discrimination, harassment and/or bullying by a staff member or student in the School may use the procedure detailed in the School’s Anti-Discrimination, Anti-Harassment, Anti-Bullying Complaint Procedure. Filing a complaint or otherwise reporting discrimination, harassment and/or bullying will not reflect upon the individual’s status, nor will it affect future employment, grades or assignments. The right of confidentiality, for both the accuser and the accused, will be respected consistent with the School’s legal obligations; with the necessity to investigate allegations of misconduct; and with the necessity to take corrective action when this conduct has occurred.

Consequences
A substantiated charge against a student in the School shall subject that student to disciplinary action consistent with the Student Code of Conduct, which may include suspension or expulsion. A substantiated charge against a staff member in the School shall subject that staff member to disciplinary action, up to and including termination. A first time offense of discrimination or harassment may be a dischargeable offense. Allegations of criminal misconduct will be reported to law enforcement, and suspected child abuse will be reported to Child Protection Services. Any supervisor or employee who violates this policy by allowing the conduct to go unaddressed will be disciplined. Such discipline may include reprimands, suspensions and/or removal.

DEFINITIONS

Nondiscrimination
The School, in compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973 and the Age Discrimination Act of 1975, does not discriminate on the basis of race, color, national origin, gender, handicap or age in any of its policies, procedures or practices; nor does the School discriminate on the basis of sexual orientation, religion or limited English skills. The School will take any measures necessary to effectuate the requirements of these acts.

Complaint Procedure

Complaints filed pursuant to this policy shall receive prompt and equitable resolution. Documentation of follow-through and resolution in all circumstances will be maintained.

I. Complaints alleging a student as offender

1. A student’s parent/guardian may file a complaint on the student’s behalf. A complaint, filed in good faith, alleging a violation of the School’s Anti-Discrimination, Anti-Harassment and Anti-Bullying policy against a student may be brought to the following officials.
   a. any staff member that the student, or parent of the student, chooses,
   b. building Dean of Academics, or
   c. Superintendent

2. School personnel should intervene promptly whenever they observe student conduct that has the purpose or effect of ridiculing, humiliating or intimidating another student/school personnel, even if such conduct does not meet the formal definition of harassment or bullying. A staff member either receiving a complaint, observing a violation, or substantiating a complaint of violation of the Anti-Discrimination, Anti-Harassment and Anti-Bullying policy must intervene, and must document the complaint on the appropriate incident report. The report is forwarded within one school day to the building administrator who will investigate in a timely manner as required by law. Victims have the right to representation at their own expense.

3. Communication with parents, subject to state and federal student records laws, of both the victim and perpetrator will occur. Continued reports on a particular student may involve parents in the development of further interventions or actions. A substantiated charge against a student in the School shall subject that student to disciplinary action consistent with the Student Code of Conduct, which may include suspension or expulsion. Participation in interventions does not supersede the possibility of disciplinary action.

4. Any employee who violates this policy by allowing the conduct to go unaddressed will be disciplined. Such discipline may include reprimands, suspensions and/or removal.

5. Semiannually a written summary of verified incidents will be provided to the Board of Education, and will be posted on the School web page.

II. Complaint alleging school personnel as offender

1. A complaint filed in good faith alleging discrimination or harassment perpetrated by school personnel may be brought to any of the following officials:
   a. A building dean or supervisor;
   b. Superintendent or CEO of Academics

2. The official to whom the complaint is originally brought will make the dean or supervisor, and the Superintendent and CEO of Academics aware of the allegations.

3. Available Options - A person bringing a complaint is appraised of all options under policy by the official taking the complaint. These options are described below:
   a. Informal resolution of the complaint
      1) with the assistance of the building dean or supervisor,
      2) with the assistance of the Superintendent or CEO of Academics.
   b. Formal resolution of the complaint
1) filed with the building dean or supervisor,
2) filed with the Superintendent or CEO of Academics.

4. Procedures for Intake of Complaints - The official to whom the complaint is initially brought discusses with the complainant the following relevant considerations:
   a. The complainant should be informed that:
      1) A decision to proceed informally does not preclude the filing of a formal complaint at some later time.
      2) The filing of an informal complaint is not a prerequisite to a formal complaint.
      3) Action on the complaint is necessary. Such action normally will not be taken without informing the complainant in advance of such action.
   b. The behavior that prompted the complaint.
   c. The complaint process, including the available options.
   d. The issues involved in the complaint.
   e. The necessity of an investigation.
   f. Possible resolutions of the complaint.
   g. Protection of the complainant’s interests (e.g., confidentiality consistent with the School’s legal obligations, truthfulness by both parties; communication of steps taken during the process; protection of complainant and witnesses against retaliatory action).
   h. Protection of the interests of the alleged offender (e.g. confidentiality consistent with the School’s legal obligations; truthfulness by both parties; communication of any formal complaint or informal complaint; opportunity to respond to the complainant’s allegations).
      i. The complainant and the alleged offender are given a copy of the Anti-Discrimination, Anti-Harassment and Anti-Bullying Policy and these Complaint Procedures. Once all of the above information has been discussed, the complainant determines which option to use to resolve the complaint.

5. Matters to be investigated include:
   a. Whether the specific conduct alleged constitutes a form of discrimination or harassment as defined in the Policy, including the type(s) of alleged conduct; frequency of alleged occurrence; date(s) or time period over which the alleged conduct occurred; location of alleged occurrence(s); whether similar complaints have been made by others; and all factual circumstances upon which the complaint is based.
   b. The specific relationship of the alleged offender to the complainant.
   c. The effect of the alleged offender’s conduct on the complainant, including any consequences that may be attributed to the conduct.
   d. Whether the alleged offender was aware of the complainant’s concern regarding the behavior.
   e. Whether a building dean, supervisor, Superintendent or CEO of Academics was aware of the complainant’s concern, and if so, how he/she became aware of the concern.
   f. Whether any prior steps were taken to resolve the complaint.

6. Possible outcomes of investigation:
   1) a finding that there is sufficient evidence supporting the alleged violation and corrective action, which could include discipline, will occur;
ii) a finding that there is insufficient evidence supporting the alleged violation; or
iii) a negotiated settlement of the complaint. A negotiated settlement of the complaint may be entered at any time during this process. A negotiated settlement must be approved by both parties and by the Superintendent.

a. Time period for investigation complaints: Investigations of formal complaints should be concluded within 30 calendar days after they are made. When it is not reasonably possible to conclude the investigation within that amount of time, the Superintendent will notify the complainant and the alleged offender in writing of the delay and reasons for the delay.

b. Notice to parties. At the conclusion of the investigation, the Superintendent promptly informs both the complainant and the alleged offender of the outcome and the factual findings.

c. Written report of findings. Upon conclusion of the investigation of a formal complaint, the Superintendent prepares a written summary of the findings. If the investigation results in a finding of any discrimination or harassment as defined in the Anti-Discrimination, Anti-Harassment, and Anti-Bullying Policy, recommendations are made to take prompt and effective action, consistent with the severity of the offense. This report is provided to the appropriate administrative official for implementation.

d. A finding may be appealed to the Superintendent, then to the Board. Such appeal will be based on the record and any new information which could not have been previously provided with reasonable diligence.

e. Sanctions. A substantiated charge against a staff member shall subject that staff member to disciplinary action which may include reprimands, suspensions with or without pay and/or termination.

Presence of Support Persons
The complainant and/or alleged offender may be accompanied at any interview by a friend, family member, legal representation and/or other individuals of the complainant’s or alleged offender’s choice.

Confidentiality
To the extent possible, the Superintendent treats as confidential all information received in connection with the filing, investigation, and resolution of complaints except to the extent it is necessary to disclose particulars in the course of the investigation. Parties to a complaint should observe the same standard of discretion and respect for the reputation of all parties involved in the process.

Record Keeping
Any person conducting a formal investigation shall maintain a written record of all witness interviews, consent provided, evidence gathered and the outcomes of the investigation. A common form for record keeping will be developed and used across all schools under the TGFS name. Records of investigation will not be maintained in personnel files or student files unless part of formal corrective action. Investigatory records are maintained by the Superintendent in accordance with record retention schedules. Copies of the final report are given to the complainant and the alleged offender.
