Dear Parent/Caregiver:

Welcome to the 2024-2025 school year!

As part of our requirements as a public community school in the state of Ohio, we are writing to all parents and guardians to inform you that you may request information on the professional qualifications of each classroom teacher who provides instruction to your student. The school will provide the information on each applicable teacher in a timely manner to any parent or guardian who requests it.

In addition, we want to inform you that The Charles School at Ohio Dominican University is a School-wide Title program, enabling us to receive Federal funds to ensure that our students receive the support they need to reach and exceed grade level goals in reading and math. We welcome parent involvement in planning, review and improvement of Title programs including the family engagement policy and the school-wide program plan.

Please contact us with any questions or if you would like more information.

Thanks
